Protection and standards

EN ISO 6330	Test method for domestic washing and drying · Shrink-resistant according to the manufacturer
Marking	UV STANDARD 801 · UVS 065123

Care

Cornflower blue: wash at 60 °C, normal process. Pure white: wash at 95 °C, normal process. Both: do not bleach; do not tumble dry; iron at medium temperature (2 dots); do not dry clean.

Important information

EN ISO 6330: Test method for domestic washing and drying; not an independent protection class.
UV STANDARD 801: Applies only to versions bearing the relevant marking. White articles are not automatically included.
PPE and UV specifications do not automatically apply to all colours. The marking on the specific colour version is decisive.

Product overview based on manufacturer documents. Refer also to the original instructions and EU declaration of conformity.
