Care

Coloured articles: wash at 60 °C, normal process; pure white: 95 °C. Do not bleach; do not tumble dry; iron at medium temperature; do not dry clean.

Important information

EN ISO 6330: Test method for domestic washing and drying; not an independent protection class.
EN 14404: Protection applies only to the approved combination of kneepads and garment. Standard edition and performance level as marked on this combination. The pure-white version is not covered by this verification.
UV STANDARD 801: Applies only to versions bearing the relevant marking. White articles are not automatically included.
PPE and UV specifications do not automatically apply to all colours. The marking on the specific colour version is decisive.

Product overview based on manufacturer documents. Refer also to the original instructions and EU declaration of conformity.
