## Protection and standards

| | |
|---|---|
| **EN ISO 6330** | Test method for domestic washing and drying · Shrink-resistant according to the manufacturer |

## Care

Wash at 60 °C, normal process; Do not bleach; Dry at low temperature; Iron at high temperature (3 dots); Do not dry clean

## Important information

EN ISO 6330: Test method for domestic washing and drying; not an independent protection class.
PPE and UV specifications do not automatically apply to all colours. The marking on the specific colour version is decisive.

Product overview based on manufacturer documents. Refer also to the original instructions and EU declaration of conformity.
